## *Albie Trail Road Temporary Closure*

**KETTLE FALLS, WASH.** – Forest Service Road 7015125 (Albie Trail Road or locally know as Rabbit Trail Road) will be temporarily closed for public safety and to reduce further damage to the road. Albie Trail/Rabbit Trail Road is located off of the North Fork of Mill Creek Road approximately 18 miles northeast of Colville, Washington.

The Albie Trail/Rabbit Trail Road is a loop road that proceeds northeast from the junction of Forest Service Road 7015000 (North Fork Mill Creek Road). A section of the roadbed has failed and has deep ruts and road failures that make the road unsafe. Crews will begin work to repair the road as soon as conditions become favorable.

For more Information on this temporary closure, please contact the Three Rivers Ranger Station at (509) 775-7400. For more information on road conditions across the Colville National Forest please visit our Web site at <http://www.fs.usda.gov/colville>
